

West Spirit River People Up In Arms Way Forestry Dept. Is Handling Fires In District

Petition Presented To W. Sharpe, M.L.A., By Delegation From Area Affected—Charge That District Is Left Without Fire Rangers.

W. L. Scott of Whitburn and George Millard and Dan Galbraith of Blueberry were visitors in Grande Prairie on Tuesday.

In conversation with The Tribune reporter they stated that the trip was made to present W. Sharpe, M.L.A., a widely signed petition protesting the way the Forestry Department is handling the fires which are raging west of Spirit River.

They further state that the people of their area are absolutely up in arms over the disastrous situation. The following is a copy of the petition:

Hutchinson, Chief Forest Ranger, Department of Agriculture, Edmonton, Alberta.

"Dear Sir: We the citizens of No. 38, surrounding district, seeing millions of feet of valuable timber being destroyed by fire, and also being aware of the loss of wild life in this connection, hereunder affix our signatures in protest that no action has been taken to prevent this by the Forestry Department.

"We also present an explanation why our forest rangers should be called out of our district to other territory, while at the same time fires are allowed to go without attention in timber of equal value.

"Wishing to see no injustice to any man, we demand hearing, with all concerned being in attendance, that we can see no good use in paying a ranger just to look at the smoke where at the same time money is urgently needed for projects equally necessary which, if completed, would be of equal value to agriculture and the Forestry Department.

"Unitedly, and, as we believe, in the interests of the province of Alberta,

The above petition is signed by 217 residents of the area west of and including Spirit River.

Some 1,500 Attend The Rio Grande Annual Sports

Pete Wrangle Won Professional Saddle Riding In Rodeo That Brought Together Good Riders And Rough Horses—Grande Prairie Won Baseball Tournament, Sports Proved All-Round Success.

GRANDE PRAIRIE, June 13.—Upwards of 1,500 turned out to the Rio Grande annual sports, held here on Thursday of last week, and under ideal weather conditions the large crowd was treated to a first-class program of varied sports in which the baseball tournament, horse races and rodeo held the principal places on the program.

The beautiful grounds skirting the Red Willow River never looked more attractive and this, coupled with the bang-up program was responsible for one of the most successful sports days ever staged by the Rio Grande sports committee.

In the baseball division Edmonton put Beaver Lodge out of the running, Grande Prairie drew the bye, Hythe defeated Elmworth and the final Grande Prairie defeated Hythe.

The horse races were all to the good time and under ideal weather fans were kept on their toes by garrison neck-and-neck finishes.

In the ladies' basketball tournament Hualien eliminated Wembley, Hualien then repeated by defeating Hualien, Grande Prairie won Beaver Lodge and then defeated Hualien in the final.

In the first game in the ladies' football section Wembley won from Beaver Lodge, Grande Prairie then eliminated Elmworth, Hualien got the bye and Wembley defeated Grande Prairie, Wembley defeated Hualien to win the tournament.

The rodeo, which was in charge of Bill Liberty, brought together good riders and rough horses, much to the delight of the large crowd of fans. There were 13 barrel races and two bareback riders. When the dust and some grass had cleared, the following were declared the winners:

Professional Saddle Riding—1st, Pete Wrangle; 2nd, Slim Armstrong. Bareback—1st, McFadden; 2nd, Ken Ross.

Steer Riding—1st, McFadden; 2nd, Gordon Moore.

A dance at night packed the community hall and brought a fitting close to a most enjoyable day, when good fellows from all sections of the country met together.

Extra Stir In Plane Circles at G. P. On Sunday Last

On Sunday last there was more than ordinary stir in aeroplane circles of Grande Prairie.

Ted Fields, from the Yukon, landed his plane on Bear Lake. He had three passengers and a baggage.

About the same time the big trimotor, with Grant McConachie at the controls, landed at the airport. McConachie had for passengers en route to Vancouver, Mrs. McConachie and Miss Seddon.

Planes were exchanged and McConachie took Fields' three passengers and left for Vancouver, flying over the Monksman Pass route.

Fields, with mail, flew back to Fort St. John, handing over the passenger Mrs. Charles Penzon of Grande Prairie. He returned the same day with two passengers from Fort St. John and after picking up two more passengers here proceeded to Edmonton.

Attempt Is Being Made To Purchase Plane For Students

A meeting of the flying students was held in the Town Hall, Grande Prairie, on Sunday afternoon. J. W. Nell was in the chair.

The purpose of the meeting was to discuss ways and means of securing a suitable plane for training, as the one brought in from Edmonton and piloted by Jack Ross is unsuitable for the work. According to Pilot Ross, who was present, the department recommends that this plane be not used for solo work.

As fifty per cent of the students are ready to solo, the meeting. It was pointed out that a Gypsy Moth at Killecote, Alberta, is for sale for \$1,200.

The meeting was in favor of organizing on a proper basis and issuing \$50 shares to purchase this machine.

The following were appointed a committee to find out the prospects of selling these shares: Mayor Fooley, O. B. Harris, W. Bentley, W. Jeffrey and Pilot Ross, and report at a meeting which will be called in the near future.

Monksman Pass Road Open To Coast About August 1st

FIRST 1938 CONTINGENT OF MONKSMAN PASS ROAD CUTTERS

This efficient gang of road workers on the Monksman Pass Highway left Rio Grande June 1. They started at 8 a.m. and will be back at Kinross Falls a time to celebrate Dominion Day there.

(Photo by R. E. Leake, Beaver Lodge.)

M.P.H.A. NOT SPONSORING ANY SUBSCRIPTIONS EXCEPT TO HIGHWAY GENERAL FUND

Editor of The Tribune.

Please announce to your paper that the executive of the Monksman Pass Highway Association will not make it clear that they are not sponsoring subscriptions for any special purpose in connection with the highway project other than that of the general fund.

Yours truly, JOHN MCNAUGHT, Secretary M.P.H.A.

Began Drilling Gu'dian No. 1 Well Monday

Large Crowd Gathers At Bonanza Well—Gu'dian No. 1 Well Monday

DAWSON CREEK, June 14.—Considerable interest in the Pouce Coupe oil fields was indicated on Monday of this week when a large number of citizens from Pouce Coupe, Dawson Creek and surrounding districts motored out to Bonanza, Alberta, to witness the spudding of Guardian Well No. 1.

Approaching from the north, in direction, the massive 116-foot steel derrick can be seen for miles. The camp, which is a splendid foundation, bunks, bunk-houses, and other buildings has now taken on the general appearance of a small town.

A feeling of confidence prevails and it is anticipated that the venture will meet with success. The party arrived at the camp at 12 noon and at 1 o'clock sharp Mr. Glen Braden, in honor of the occasion, broke a bottle of champagne against the large rotary drill.

Mr. Braden, M.L.A., of Dawson Creek, opened the machinery, and steam and the massive drill sank slowly into the mud. The accomplishment of successive rods of the well was followed by a speech by Mr. Braden, who spoke as follows:

"I deeply appreciate the honor which has been afforded me today by having this opportunity of spudding the Guardian Well No. 1 at Bonanza, Alberta.

"It is an event of historical importance for the Peace River country, both of Alberta and British Columbia. The success of this well will be a landmark in the economic life of Canada from coast to coast. It may prove to be a great factor in maintaining British supremacy of the seas.

"I pay tribute to Mr. James L. Hill, my friend, and the man who has been the means of opening up this field, and also to Mr. Lovell. They both had the courage and foresight to undertake this great project.

"Mr. Hill's efforts alone have been untiring and today, after fifteen years, he has realized the first fulfillment of his great ambition—the start of Well No. 1, and then a producer."

The Peace River wish with the Guardian Oil Company success, and more success, and to the bit of this drill for Well No. 1 a happy landing in a pool of oil."

Mr. Braden took a series of movies, which he intends having enlarged and shown to the people of the Peace River here at some future date.

Success was brought to the occasion when Mr. Hill, who drove up from Calgary to witness the celebration, received word a few minutes following his arrival in Pouce Coupe of the death of his wife. With his son, James, he immediately returned to Calgary.

Mr. Hill had been unwell at the time of his departure but it was not considered serious and the sad news was a tremendous shock to him. The sympathy of the people of this and surrounding districts is extended to Mr. Hill and other members of the family in their sad bereavement.

VAUGHN'S DANCE IN BEZANSON HALL, JUNE 24

BACK FROM GRAND LODGE

E. V. Bergin of Clairmont, W. T. Turner and Roy Robertson of Smithsburg, N. B., returned to Grande Prairie on Friday, where they attended the Masonic Grand Lodge.

On June 13 from 150 to 200 farmers attended the demonstration at Spirit River on the farm of Leobouque Bros., immediately north of the town. Very keen interest was taken in every phase of the demonstration.

The unique method of transporting the various machines also created great interest.

NEW WELL DOWN 260 FEET

At 4 o'clock Wednesday afternoon a depth of 260 feet had been reached in the new well at Spirit River, Grande Prairie's water supply, and there were prospects for good drilling from this point on.

Production Tax Discussed At Large Meeting Held In G. P. Old Capitol Tuesday Night

Associated B. of T. Annual Convention Meeting June 29th

Every Board of Trade is asked to send its full quota of representatives to the annual convention of the Peace River Associated Boards of Trade of British Columbia and Alberta, to be held in Fairview on June 29, at 2 p.m.

Each Board of Trade is entitled to two representatives with voting power. The privilege of the floor will be extended to everyone attending.

Many important matters will come before the meeting and for that reason a large attendance is desired.

In order to save time, resolutions should be sent to J. E. Thompson, president, or to J. T. Tooley, secretary, Grande Prairie.

Twenty-nine organizations have been notified.

While at Fairview the representatives and officers will be the guests of the Fairview Board of Trade.

Large Crowd At Valhalla Annual Sports Friday

La Game Defeats Hythe In Toffen-Glance Of Baseball—Lloyd Toffen and Big Winner in Horse Races—Lee Borden Made An Efficient Master Of Ceremonies—Dance In Evening Draws Capacity House.

Valhalla Centre sports, held on the farm of Lee Borden, on Friday, June 10, drew a large attendance. L. E. Toffen, 3rd, defeated Hythe, while Mr. Borden was general master of ceremonies.

A beautiful piece of timber crossing the property, running from west to east. Against this wall, the horses were raced, and miniature midway were located.

Baseball and horse races were the major attractions. L. E. Toffen was the starter in the races and Lee Borden, who had a fine record, was the judge.

Pony Race—1st, Millboy, owned by L. Toffen; 2nd, Pinto; 3rd, Orvil Buey.

Free-for-All—1st, King Moore, Toffen; 2nd, Gene, Hartley; 3rd, June, Bekkerus.

Novelty Race—1st, Alf Tate; 2nd, Joe Gould; 3rd, Gene, Hartley.

Green Race—1st, Pete Wrangle; 2nd, Gordie Gould; 3rd, Blanche Reed.

Chariot Race—1st, L. Toffen; 2nd, Alf Tate.

The Roman standing race, with Olaf Hagen a good second. The boys rode a beautiful race and the girls won on tip-toe from start to finish.

In a matched race, which was arranged on the grounds, King Moore, owned by L. Toffen, won from Rex, owned by J. W. Feltz.

Cockshutt Dealers Guests of Company At Delightful Dinner

Cockshutt Plow Company dealers south of the Peace were guests of the company at a delightful dinner in the Donald Cafe on Wednesday. The spread included everything from a fruit cocktail to nuts, tribute was heard to remark: "There is no deflation about this dinner. On the contrary, it is one of magnificent inflation." And with it all there was a happy ending.

When everyone had done ample justice to the fine meal, T. W. Clark, president of the company, made a few remarks. He is a man of many talents, master of ceremonies, thanked the officials, Mr. Williams and Mr. Cockshutt, and the dealers for being present. The chairman further remarked that he was also pleased to note that everyone brought their appetite with them. This was really inspiring, he added.

Mr. Williams, who is the Edmonton branch manager, observed that each year he looks forward with pleasure to his yearly visit to the Peace River, and after having come to the conclusion that the company had possibly the best sales agents in the West.

Mr. Williams referred to Mr. (Continued on Page Eight)

Rolla Mus. Festival Highly Successful

According to H. L. Vaughan, who adjudicated the music at the Rolla Musical Festival, the festival was a highly successful one. The artistic things in life is growing in the Peace River, and the fact that there were 40 entries more this year than last, 220 in all.

Mr. H. L. Vaughan of Victoria adjudicated in the Elocution and Dramatics division, and Miss Daphne Phillips of the Folk Dance division. "Taking the Festival as a whole, it was of a high order," remarked Mr. Vaughan, who was the reporter. "In some classes in music the contestants reached a very high standard, noticeably the church and community choirs and school choruses."

Practically all classes were well filled and the Festival was exceptionally well organized, said Mr. Vaughan.

Resolution Passed Asking Government To Withdraw Act On the Grounds Of Injustice

Hon. L. Maynard, Minister Of Municipal Affairs, Was Not Present—W. Sharpe, M.L.A., "Rocky Mountain" Club, Campbell, Joshua Fletcher And Hon. Hugh Allen Principal Speakers—Meeting Called To Order By C. F. Hopkins—E. J. Holton Presided As Chairman—Mr. Sharpe Closed That Meeting Did Not Represent All The Voters in the Constituency.

Every seat was taken in the old Capitol Theatre on Tuesday night by an interested crowd who came to hear the production tax explained and discussed.

It was expected that Hon. Lucien Maynard, Minister of Municipal Affairs, would be present, but he did not arrive—being, as Mr. Sharpe explained, unavoidably out of Edmonton.

C. F. Hopkins opened the meeting. He stated that it had been called by a small group to have the production tax explained by the Minister. Mr. Hopkins stated that he wrote Mr. Maynard some time ago but had received no answer. He then called upon E. J. Holton to take the chair.

Mr. Holton observed that his name was on the petition calling the meeting, but that did not mean he agreed to be chairman of the meeting. He said that he had heard a lot about the production tax Act but had not read it, for the reason he could not get a copy. He then called upon "Rocky Mountain" Bob Campbell to read the act, section by section.

Following reading of the rather lengthy document, W. Sharpe, M.L.A., was called upon.

W. Sharpe, M.L.A.

At the outset of his remarks Mr. Sharpe said he was sorry Mr. Maynard was unable to be present. He said the Minister could explain the act much better.

The M.L.A. was of the opinion that it would have been better to have waited until a decision was given by the Supreme Court as to the legality of the tax.

Continuing, Mr. Sharpe said that the production tax was not an added tax, as some people claimed, but took the place of other taxes. He then went into a consideration of some of the more important sections of the act.

Summer Camps For Girls At Saskatoon Lake Next Month

Two big summer camps for girls are to be held this year on Lake Saskatoon Island. The first one is for the girls of the Peace River and over who are interested in leadership training. The dates are July 2-5, inclusive; but campers are requested to arrive at the camp site on the evening of July 1, to ensure full attendance.

The second camp, for girls 12 to 18 years, will be July 6-10. Miss L. C. Campbell, of the Peace River, work secretary, will direct both camps.

Please send all registrations in early to the registrar, Mrs. Rex Harper, Grande Prairie.

A letter to campers by your names on all bedding, towels, etc., preferably in Indian ink, to avoid possible confusion.

GOOD RAINS IN MT. VALLEY AREA, SAY VISITORS TO G.P.

E. W. Lingrell and "Cam" Leckie of Mount Valley were visitors to the Peace on Monday.

In conversation with The Tribune reporter they stated that their area last week enjoyed several hours of rain, which resulted in the crops are looking most promising. Both attended the Rio Grande sports on June 9 and they reported that was again highly successful.

Evidence In Respect To Death Of Maurice Nicolet To Be Taken By Mag. A. E. Galway

As The Boy's Stepfather, Ernst Schupbach, Has Confessed To Killing The Boy, Is A Swiss National, The Man Will Be Tried In The Peace River Court On The Evidence Sent From Here

At 10 o'clock this morning (Thursday, June 16) at Bay Tree, Magistrate A. E. Galway will begin the taking of evidence in respect to the death of Maurice Nicolet, a Swiss boy, who was killed by Ernst Schupbach, his stepfather, on September 21, 1935.

The boy's stepfather, Ernst Schupbach, is being held at Biel, Switzerland, on his confession that he killed the boy so badly that he died. The mother is being held as a accomplice.

The story of the Schupbachs reads like lurid melodrama. Two months after the disappearance of Maurice Nicolet, the stepfather and a sister returned to Switzerland. In April of this year Ernst Schupbach was arrested by the Swiss police, charged by his wife with an indecent act against her daughter. She also accused him of killing her son, Maurice. He apparently retaliated by charging her with doing away with her own child.

As there is no extradition treaty between Canada and Switzerland, and as both the murdered boy and his stepfather are Swiss nationals, the case will be tried in the Peace River court on the evidence gathered at the hearing conducted by Magistrate Galway and forwarded to Switzerland.

The Swiss police got into communication with the R.C.M.P. here and the boy's stepfather and a few boys were sent to the Peace River and his detachment.

Many witnesses are being called, one from each of the three hearings at Bay Tree today.

Interesting News From Sexsmith

June 14, 1938

CELEBRATES 75TH BIRTHDAY

Mr. W. M. Fairbairn celebrated his 75th birthday yesterday, Monday, June 13. He was born in 1863, at Napane, Ontario, and came west to Bow Island, Alberta, in 1910, and to Sexsmith in December, 1927, where he has resided ever since.

Mr. Fairbairn has not been very well during the past winter, but he is apparently on the mend now, and we hope to have the pleasure of announcing his birthday for many years to come.

LIST OF CLASSES AT FLOWER SHOW ONLY PARTIAL ONE

In last week's issue there was a list of the different classes of flowers that were to be shown at the Flower Show at Sexsmith on July 8. We have been told that this is only a partial list and that any flower that is in bloom at that time is eligible for entry. The same applies to bouquets of cultivated and wild flowers.

Anyone is eligible to enter in an entry, whether they belong to this society or not, and all are welcome.

"SIT-DOWN STRIKE" AT SCHOOL THREATENED

Last week, when it was announced to the lower grades in the school that the King's Birthday would not be a holiday as far as they were concerned, there were ominous mutterings amongst the boys, and a "sit-down" strike was threatened. This very thing happened when the school-room with the boys sitting down at their desks. Some were even contemplating hockey, but after careful consideration came to the conclusion that if they were caught and got a thrashing for it, it might impair their sitting-down qualities, so decided against it.

PERSONAL PARAGRAPHS

Stan Warren and Bob Walker went to the Fairview school last Thursday by plane. Mrs. Walker went by car, returning home with Mr. Walker on Sunday.

Jack Hall, eldest son of Mr. and Mrs. Wm. Hall, who has been away at school in Winnipeg, Iowa, since the past two years, is expected home by car on Wednesday, June 15. He expects to remain in the summer holidays.

BALL GAMES PLAYED DURING THE WEEK

And now to come to the ball games. As you all know, Sexsmith won the ball contest at the fairview school, winning first from Grande Prairie and then from Clairmont in the final.

On Sunday afternoon last the young ladies of the fairview school came here to play a friendly game of softball with the local talent, with the final score being 18 to 5. Incidentally, there were only eight innings played, one of them getting lost somewhere in the shuffle. However, probably it was just as well. In the first inning the visitors made the circuit ten times, and in the second frame came home with five runs. One more in the third, and two in the fourth, which finished their scoring. After that the home bunch had the better of the play, but not enough to overcome the big lead. Sexsmith scored one in the second, one in the third, two in the seventh, and one in the eighth. Sexsmith's weakness is in their fielding and wild throws, which leaves room for considerable improvement. You have got to get out and practice, girls, and give your battery some support, if you ever expect to take this Grande Prairie bunch.

After the girls' game a number of the farmers from west of town played a seven-inning game with a pick-up town team, with the latter coming out on the long end of a 16 to 11 score.

The league game with Hythe, supposed to have been played last Friday, was postponed to Monday, game advertised to start at 7 p.m. At that time most of the spectators had gathered, but no sign of the visitors. Around quarter to eight three of them came, and it was decided that the balance were following. At 8:15 there was still no sign of them, and to give the crowd something for their money some of the Sexsmith old-timers made up a team including the three from Hythe. This went for two innings, when the balance of the team arrived. It was getting pretty dark by that time, and it was decided to play an exhibition five-inning game, which resulted in a two-to-one win for the visitors. This league game will be played some time in the near future, and Mr. McFarland, the Sexsmith manager, stated that all those who paid admission to this game last night would be admitted free at the postponed one. Bill Hall made a very efficient

UMPS. By the way, the reason that the Hythe team was so late in arriving was owing to car trouble.

DANCE IN HONOR OF MISS ELMORA FOSTER, BRIDE-TO-BE

On Monday night, June 13, a dance was given at the U.F.A. Hall in honor of Miss Elmora Foster, youngest daughter of Mr. and Mrs. J. B. Foster, who is being married on Thursday of this week to Pat Graham, accountant of the Royal Bank at this point. There were about 80 present.

A presentation of a dinner set was given to Miss Foster and Mr. Graham. Miss Gwen Johnston made the presentation speech, and Mr. Graham replied thanking them.

Dancing was kept up until about two in the morning. Towards the end the happy couple were surrounded and all singing "For They Are Jolly Good Fellows."

RIP-SNORTING WESTERN AT GRAND THEATRE SATURDAY

The presentation at the Grand on Saturday evening, June 18, will be "The Silver Bullet," with Tom Tyler. This is a rip-snorting western. There will be two shows, 7 and 9, after which there will be a dance.

ASPEN GLEN AUTO CAMP NEWS

ASPEN GLEN AUTO CAMP, June 14.—Rev. and Mrs. K. A. Knutson of Sexsmith called in passing on their way to St. Paul, Minnesota, with T. J. Viasek of Maplebay, Minnesota, and Mrs. Geo. J. Smith and Grace Johnson of Sexsmith.

The first time in seven years, C. H. Warren, the flour mill man of Sexsmith, passed, and with him were Mrs. Warren and Hattie, and Mrs. Gilpin and her little daughter.

Arthur Gray, wife and family, of Dawson Creek, passed.

Repeated trips with freight have been made by Allan Moore of Beaver Lodge.

About 4 a.m. Mr. Goebel and friend of Dunvegan called.

From Alliance, Alberta, Ray McDermott and family were on a trip into Peace River country with a large truck.

After visiting at Pouce Coupe, two sisters—Mrs. R. L. Richter, Camas Valley, Oregon, and Mrs. K. W. Pentz, Long Prairie, Minnesota—and the mother, Mrs. D. E. Goodman, and Mr. Goodman of that place camped on their return home.

Mr. Adams of Rolla, B.C., was accompanying a friend on his return home to Honeyland, Montana.

A cyclist was on his way from Rimby, Alberta, to Dawson Creek.

Mrs. K. and Mrs. McDonald of Grande Prairie, Rev. and Mrs. G. A. Shields, with family, of Beaver Lodge, were campers June 13—Mr. and Mrs. G. M. Meyer and Gordon of Elmworth also accompanied them. All but Mrs. McDonald and daughter are on a six weeks' visit to Ontario.

EXHIBITION EXHIBITS

Manitoba Provincial Exhibition, Brandon, Man., July 4-8.

Calgary Exhibition, Calgary, Alta., July 11-14.

Edmonton Exhibition, Edmonton, Alta., July 18-23.

Although the estimated number of visitors in Canada in 1937 increased by 20,470 (from 370,889 in 1936 to 391,359 in 1937), the total money crop was estimated at only 21,700,000 pounds as against 28,200,000 in 1936 and the five-year average of 23,800,000.

Perhaps some children are naughty because they have heard that the good die young.

SPIRIT RIVER NEWS

Best Sports Day In Years Held Here Last Week

(By Humbog)

SPIRIT RIVER, June 14.—Spirit River held its best sports day in years last week, and the writer believes it was the best sports held here for some time. As all lines of sport were strongly contested, while the crowd attending was not very large this year, owing to the following day being declared a Dominion holiday, everyone who did attend spoke very highly of the sports held here.

In the baseball tournament Rycroft defeated White Mountain, Spirit River won over Grande Prairie 2-1, Fairview defeated Pouce Coupe 1-0, and the Spirit River won over Rycroft 6-5. The finals were played between Spirit River and Beaver Lodge, the former team being successful in defeating the latter 12-7 and taking first prize. One of the outstanding players of the tournament was A. Archibald, Spirit River, who pitched 19 innings. Another outstanding pitcher was Watkins of the Beaver Lodge team.

The Spirit River sports committee wish to thank both the Beaver Lodge and Pouce Coupe teams for being so successful in making the sports here a huge success, having had to come from such a distance. At the same time they also wish to express their appreciation to both Grande Prairie and Fairview teams for their continued support and assistance. These two latter teams have always made it a point to support Spirit River sports and same has been appreciated very much by everyone here.

In the softball tournament the teams competing were Grande Prairie, Spirit River, and Beaver Lodge. The last mentioned team was successful in taking first money. Beaver Lodge and Spirit River were visiting teams coming to engage in this sport is extended. The latter team was successful in winning the final game from Grande Prairie girls.

Other features of the sports day were races (foot and horse) and events drew a lot of real enthusiasm, as they were all strongly contested. A dance was held in the evening, with a large crowd attending.

LOSE AT FAIRVIEW SPORTS

On Thursday, June 10, the Spirit River baseball and softball teams visited Fairview school, where they lost the competitions there. The baseball team was not as successful this time as they were in the past, in Spirit River, being defeated by Berwyn.

GIRLS WIN FIRST MONEY

The softball team, however, continued their winning streak under the direction of coach and manager, Mr. Foster, assisted by Wayne Steinhilber, and won first money very easily. The girls' softball team is to be congratulated on their team spirit and the girls of the district will give them their continued support.

We are again pleased to welcome Mr. and Mrs. Hersey, who are again visiting their daughter, Mrs. Donaldson, into our midst and trust that they will stay with us for some time.

A quite familiar visitor again was in Spirit River a few days ago, visiting the home of Mr. and Mrs. N. P. Macdonald. Mr. and Mrs. Macdonald and baby are both doing very well at last report. Congrats, Norm and Mrs. Macdonald.

Mr. Stevens, Sr., left recently for a health trip and will be gone about a month. The destination of Mr. Stevens is at some of the health resorts in the western states.

A large crowd of men are now engaged in tearing up the sidewalks on both sides of Main Street, preparatory to putting in cement blocks and laying a new sidewalk. When work is completed it will be a very great improvement.

GOODWIN

GOODWIN, June 13.—A large crowd attended the Social Club dance at the school-house Friday evening. Quite a number came up from DeBolt.

Mr. and Mrs. Lind and Duane and Mrs. MacKie visited at the Calberry home on Sunday.

Fred Munroe, who has been in DeBolt giving Mr. Bickel a hand on his saving outfit the past weeks, came home on Saturday evening.

Mr. Smith of Sturgeon Heights called in the district on Sunday.

Mr. and Mrs. Ron Moody and Miss Hardman called in DeBolt on Saturday.

Mrs. Calberry called briefly on Mrs. White on Sunday.

The children are now all looking forward to their summer holidays but dreading the examinations ahead of them.

A Lind made a trip over to Glen Leslie the first part of the week.

About all we see these days is smoke, smoke, and then some more smoke, but are lucky to have no bad fires right in the district.

A fair crowd attended Sunday to hear the services by Rev. Mr. Thorpe of Montreal and W. Harris, a student minister, who are making their home in Goodwin.

A bunch gathered at the J. Lenes home on Sunday evening and enjoyed a feed of ice cream and cake.

Mr. MacKie of Meadowvale came down on Saturday with his tractor and plows to do some breaking for C. Dobson. Mrs. MacKie came down with him to visit while he is down here.

Alec Atkinson and Cyril Binks of Crystal Creek called on Bernard Lenes on Friday.

ENILDA NEWS

ENILDA, June 8.—Fires seem to be the order of the day, and there appear to be fires in every direction. The biggest fire is up the East Prairie River, and they are taking more men every day. Fires north of here are said to be destroying valuable timber and there is no one fighting out that way on account of there being no equipment.

Weather continues dry. It looks like rain every night and clears the next morning. It hasn't been so dry here for over sixteen years, as we have not had a shower yet this spring.

Gladys Card had the misfortune to hurt her leg while getting out of a Bennett buggy. Her leg caught on the rim bolt and was torn quite badly, several stitches being necessary. She is still in the hospital at High Prairie.

DEBOLT ITEMS

IT PAYS TO ADVERTISE

DEBOLT, June 14.—Last week I advertised in The Tribune for a girl to run in this district and yesterday we got it. It pays to advertise!

Mr. and Mrs. Otto Gitzel are the proud parents of a baby boy, born June 10.

Mr. H. S. Day, his surveying crew are now working in this district.

The I. Morrison family and L. Fields family, T. Moore, R. Mehlmum and H. Warner were all visitors at Sturgeon Lake on Sunday.

Father Reau from Sturgeon Lake held services at the hall at DeBolt on last Sunday.

Mrs. E. Sheltreau and the G. Graves family left here by car on Sunday with relatives who had been visiting here. They were bound for Detroit, Michigan.

Mr. and Mrs. G. DeBolt were visitors at the home of Mr. K. Morrison on Monday evening.

Mr. Arthur Steed made a trip by bike to Sturgeon Lake on Saturday.

WEMBLEY NEWS

OGILVIE DEMONSTRATION ENJOYED BY BIG CROWD

WEMBLEY, June 8.—(via Edmonton).—The demonstration given by Mrs. Pilon, sponsored by Ogilvie Flour Company and the Women's Welfare Club, on Tuesday, in Wembley Hall, was certainly enjoyed by all who attended. Miss D. Feist and Mrs. Farquhar were the lucky winners of the two bags of flour and Mrs. Deaman was the lucky winner of the prize lamb. Three loaves of bread were given for Mrs. A. Dool, Mrs. J. Miller and Mrs. D. Miller were lucky.

Thanks to all those turning out to the demonstration. One hundred and fifty people were present as well as the children, making this the largest crowd at anytime, says Mrs. Pilon.

H. S. DAY, DISTRICT SURVEYOR WORKING EAST OF THE SMOKY

H. S. Day, District Surveyor, and his assistant, Carl Lester, were visitors to Grande Prairie on Saturday. They are working east of the Smoky, having come in through the children, making this the largest crowd at anytime, says Mrs. Pilon.

Later on they will cover the entire Grande Prairie district.

SCENIC HEIGHTS

WORK ON ROAD PROGRESSING

SCENIC HEIGHTS, June 14.—Work on the road north of the school is progressing favorably under the direction of Councilor Powell and Mr. N. B. Edgar, who is in charge of the road crew. The road is now passable for cars as far north as the creek. The construction of this road eliminates the necessity of opening several miles, which develops into a real hardship for some of the school children during the winter months.

The completion of this road will also fulfill the plans made several years ago, when it was first promised to construct such a road.

CUTWORKS AT WORK

Reports are to the effect that considerable damage is being done to crops and gardens throughout this district by the cutworms.

This is to be more or less expected, since the cutworms are more active during a dry season. A good rain would therefore be doubly acceptable at this time, to improve the moisture conditions and also retard the action of the worms.

HOLD JOINT ANNIVERSARY SERVICE

Following the practice of former years, the Anniversary Service of the United Church for the Scenic Heights, Beaver Lake and Sturgeon Lake on this field was held Sunday last at Lake Saskatchewan Island.

This is usually one of the outstanding services of the year and this year was no exception.

SPORT NEWS

The Buffalo Lakes baseball team came out in force last Monday evening to administer a 13-5 defeat upon the local team on the Scenic Heights diamond.

The local team also met defeat at the hands of the Lake Saskatchewan softball squad when they journeyed to the local team for a game on Thursday evening. Although leading at several stages of the game, the local team was outwitted and launched by the Lake team in the closing innings, the final score being 10-1.

TO PLAY DOUBLE-HEADER AT BUFFALO LAKES

Softball fans will have their choice of watching either ladies' or men's softball at Buffalo Lakes on Monday night, when a double-header fixture will be played between Buffalo Lakes and the Scenic Heights.

As this will be the girls' first game, come out and give them your support.

LOCAL BRIFE

Hazel Price spent the past week at the home of her one-time employer, Mrs. U. Powell. Although married now, she is better remembered by the people here by her maiden name.

Misses Jean and Alice Dool spent the week-end at their home in this district.

Phyllis Henn, youngest daughter of Mr. and Mrs. Wm. Henn, was taken to Grande Prairie on Friday for medical treatment.

GIANT PRE-HISTORIC TOOTH

A giant tooth of a pre-historic elephant has been found in a swamp by workmen digging the foundations for a building at Chilwick, England. The tooth measures six inches in length, is five inches high and three and a half inches across and weighs nearly four pounds.

Iodine was accidentally discovered in 1811 by a French chemist who, in seeking a new form of gunpowder for Napoleon, treated calcium nitrate with the ashes of seaweed.

If you have anything for sale—Try a Tribune Classified advertisement.

HAZELMERE NEWS

HAZELMERE, June 8.—This community was shocked at the sudden death of Lawrence Goodman, aged 12. The little fellow was at school as usual on Friday. He complained of not feeling well and was taken to Grande Prairie Municipal Hospital, where he died on Monday. Deepest sympathy is extended to the bereaved family.

Congratulations to Mr. and Mrs. B. McKone on the birth of a daughter.

Mr. and Mrs. Ken Dupleigh and baby daughter, also Jim Davis and wife, motored up from Pasadena, California, to visit relatives in Grande Prairie and Hazelmere.

Alex. McTavish and Neil McLaughlin, also Johnny Coates, are working on the Monkmann Pass Highway.

A crew of men are cutting west on the road one mile south of Hazelmere store to link up with the Monkmann Pass Highway.

What a glorious rain after the long dry spell! Crops and gardens will go ahead now and everybody will be happy.

Big Smoky Doings

MOODY'S CROSSING, June 13.—Mr. and Mrs. Tommy Clegg spent Wednesday afternoon at the river—Tommy looking for some of his horses and Mrs. Clegg visiting with Mrs. Roe.

Chester Miller's truck crossed the ferry Wednesday with about a dozen men who were on their way to Moose River to fight fire. On Thursday a pack train followed and will carry supplies to the men.

Early Thursday morning Bert Sumner of Beaver Lodge crossed the ferry on his way back from Edmonton.

Allan Moore's truck went east on Thursday, returning later in the day.

Mr. and Mrs. C. Milner of Ft. Simpson and some friends picnicked by the river on Thursday afternoon.

Mr. and Mrs. Reg. Moody and family spent Sunday at the river.

FERRYMAN HAS BUSY DAY

Sunday was the busiest day this year for the ferryman—97 cars and 15 trucks and 233 passengers.

Quite a few picnickers enjoyed a hot day spent by the river under tall trees on Sunday.

The two ladies who drive a Sunday School Caravan in the Grande Prairie district spent a couple of days cannelling by the river and say it is the loveliest spot they have seen in this part of the country.

BIG SMOKY DOINGS LAST WEEK

MOODY'S CROSSING, June 7.—Mr. and Mrs. Ivan Hayden of High Guthrie, 1b, made a trip to Grande Prairie and back to High Prairie last week.

Mr. McQuarrie of Grande Prairie spent Wednesday at the inn on business.

Mr. and Mrs. Ron. Moody and son, Gerald, spent Thursday in Grande Prairie.

Mr. E. Henderson's road crew are now working at the top of the river hill.

Mr. Walter Rathwell of Clairmont was out to DeBolt on business Thursday.

After spending a week with Mrs. Roe, Mrs. R. McArthur and Shirley returned to their home at DeBolt.

Mr. and Mrs. Bert Sumner and baby son motored to Edmonton on Saturday. Mrs. Sumner and baby will remain with her parents, Mr. and Mrs. Archie of Campbell, at St. Albert, until August. Mr. Sumner will return to Beaver Lodge after attending the Elks' convention.

Mr. C. MacDonald, representing the Imperial Toolco Company, drove to Grande Prairie through the cut-off on Saturday.

BENEFIT CARD PARTY HELD FOR NEW SCHOOL

Saturday evening a card party was held at the "Ferry Inn," the proceeds going to the new school, Ravenna. A Christmas cake in pink and white was served with the lunch, each guest finding a lucky charm under their cake to which an amusing verse was attached.

First prize for cards went to Mrs. Lyall Roe and Mr. Eric Davies. Consolation prizes to Miss Hardman and Mr. Charles Lloyd. Alex. Goodland won a lovely compact in a guessing contest.

Mr. and Mrs. Reg. Moody and family and Mr. and Mrs. C. Loyde were the guests of Mrs. Alex. Goodland of Goodwin on Sunday.

Sunday guests at the home of Mr. and Mrs. Jack Stiles were Mr. and Mrs. Jack Stiles and Barbara, Mrs. C. Swanson, 2b, and Miss Margarette Davies, Mr. Allan Clarke, Mr. Bob Myers and Mr. Allan McQuarrie.

Mr. and Mrs. Harold Davies of Berwyn are being congratulated on the birth of a daughter, Doranne.

Mr. Ferris Phelps and Miss Dorothy Crummy and friends were out to Sturgeon Lake on Sunday.

Mrs. Lyall Roe and son spent Tuesday in Grande Prairie.

EAST END TIGERS, 10; GRANDE PRAIRIE MIDGETS, 9

On Friday evening, June 10, at Twilight school, the 12-year-olds and under boys staged another thrilling baseball game that was anybody's game right up to the last man at bat. Frank Turner was the heavy slugger of the game with two two-base hits. Other two-base hitters were Miller, Weist and Tassington.

This win for the Tigers evens up the series and the next game at Grande Prairie, on Saturday afternoon, June 18, at 2 p.m., should bring out a good many spectators, as these boys put up a good exhibition of baseball.

PIPESTONE CREEK

NEW BLACKSMITH
PIPESTONE CREEK, June 13.—Harold Hoeker, blacksmith here, and Mrs. Harold are the proud possessors of a son and heir. Jerry John is the newborn's reported name.

TROUT FISHERS LEAVE
Messrs. Fred Schuck, T. Thorsen and Melvin Hart formed a party that started from here on Sunday by pack outfit for Nease Mountain, where the trout are reported plentiful. The party, finding their packs awkward, stopped at the ferry to obtain the able assistance of Bert Osborne, the well-known guide.

RAIN CAUSES SPOT OF BOTHER
Potatoes have grown six inches since the 18-hour rain last Wednesday that has caused a spot of bother to the lives of every settler in the district. On the following day everyone in the 1st barnyard at Nease Mountain turned out for the annual picnic and in the evening attended the dance at the school-house.

This change in the weather has already been responsible for several practical jokes. It is rumoured that the popular young teacher "across" the river, who is coming to the school of dressing up Keith and Tom Gerow at the "Virgins of the Valley" in falling light an introduction to Mrs. Charlie Sutherland was effected. Only after a half hour's discussion of Sunday school problems did the hostess discover the outrage whilst serving a delicious lunch to her always welcome guests of the Anglican Sunday School Caravan.

Speaking more seriously, the rain has flipped business up enormously and created some confusion for several settlers to engage on further ambitious clearing and breaking programs. Mr. Remington is reported to be clearing 100 acres of bush across the Wapiti. Chester Wagner is the fortunate contractor.

TIMELY HINTS
Dear Pipestone I have just returned from a remarkable trip that took us past the Porcupine Falls, a very wonderful sight on the upper reaches of the Porcupine River. In the mirage created by the falls I saw a distinct likeness of the Prince of Wales. Can you explain this? Yours, V. W.

P.S.—We only had a dozen small bottles of whiskey on the trip. Ans: The water of a fall such as you describe is thrown into the air by the Prince of Wales is heir to the throne.

Dear Pipestone: So many please explain why so many hungry people, mostly refugees, are leaving the west for Africa? They are reported to be going to the Sahara Desert, which is nothing but a big ocean of sand. Ans: This would appear to be an explanation. It must be because of the sand which is there.

GIVEN JOB OF FLOATING ROAD
The prospects for a good crowd at the dance on Wednesday, the 15th, have been considerably increased by the very generous action of the Municipal District of Bear River, which has assigned to Arthur Hoeker the job of floating the road from this point into Wembley.

HEARD IN BLACKSMITH SHOP
Customer: "What an awful racket is going on here!"
Harold: "Nothing to the noise at home now."
Customer: "How's that?"
Harold: "Well, the youngster makes a din and the wife makes a dinner!"

Weekly News Letter From Parliament Bldgs, Ottawa

By RINE PELLETIER, M.P.

BUSINESS OF THE HOUSE

OTTAWA, June 10.—The Prime Minister made a definite statement of the House of Commons the other day, and thus, destroyed what little hope was of paving the way this session for creating a national system of social insurance. He had hoped that essential consent to the necessary procedure would be given by the province, but as far as all of them haven't consented, they would be compelled. Favorable developments are not expected this year, no matter what may eventually be the outcome.

This was one of the main features of the day. Another was the exposure of the Vancouver sit-down strike, which both governments, federal and provincial, are sitting tight, while nothing is being done to eject seven hundred men from the general post office in the city. The strike has been made to set up a preference for the Vancouver situation over the sit-down strike. They will not be intimidated.

The government bill raising the Dominion Board of Railway Commissioners to the status of a Transport Board with wider powers of railway water, and, to an extent, highway transportation, was finally approved by the House of Commons on Tuesday. A bill of this kind though narrower in scope, was refused approval last session in the Senate. This new bill now goes to the Senate for approval. There has been yet to see how the Upper Chamber will consider it.

There has been a long and argumentative debate before the railway committee, and even in the House of Commons there is hope that an agreement will be arrived at further down the line. The bill, however, is not yet ready to be introduced. It is expected that the bill will be introduced in the House of Commons in the next week's program, although it is expected that the House will not be in session until the 15th of July. An order-in-council could put them into session, but they would like to wait until this procedure was always provided against by the House.

As this session has been going on since January 27th, the members are rather anxious to get through and get back to their offices and other forms of occupation. They are not in a hurry to adjourn now to come back in the fall, therefore they would like very much to prorogue for this year. This may take place around the 2nd of July which falls on a Saturday.

THREAT TO BACON
With Canada's hog marketings having decreased in 1937, 260,000 head since the beginning of the year, as against the corresponding period of 1937, the point is consequently approached which threatens to disrupt the plans and work already done to provide for a large, steady supply of bacon to export. Producers, therefore, would do well to study their position carefully and act in haste against a recurrence of this situation.

It should be admitted that not many farmers are realizing the concept when they feel reasonably hopeful of realizing a profit. A good number of them, however, are particularly those who do not like raising pigs, are not satisfied with anything less than a wide and easy margin of profit. To complicate matters, many producers do not possess sufficient records of their feed costs and where they are at and will go in or out of the business as the spirit moves them.

To illustrate what actual figures mean, the following figures are given. In 1937, the average cost of a pig was \$1.50, and the average cost of a pig was \$1.50. In 1938, the average cost of a pig was \$1.50, and the average cost of a pig was \$1.50.

MOUNT SASKATOON
MOUNT SASKATOON, June 11.—Mountain Trail school journeyed up to the Bush Lake school last Friday for a softball game and beat the Bush Lake school by the time of 28 to 12.

Mr. and Mrs. Reinhold Toews, Al and Ole Von Der Ohe, Mrs. Geo. Johnson, Carl and Bob Musack helped Mrs. F. Bertram celebrate her birthday last Sunday.

Bob Musack helped Albert Peterson last Tuesday.

Mr. and Mrs. A. F. Bertram and family called in at Carl and Bob Musack's last night to help Mrs. Geo. Johnson celebrate her 65th birthday.

Mrs. Elkins is spending the weekend with her son, Henry Elkins of Mountain Trail.

Apparently, psychological aspects are relied upon. They advise a man with a small amount of money to put it or part of it into an enterprise, such as owning his own home. A project like this, they say, is the best way to get on. The government, or lending institutions, or people with money. The man if small means should have no fear of doing this, especially since it is now advised by public authorities.

A very rare thing happened in the House yesterday, as a matter of fact, it is the first time that such an incident takes place in this Parliament. The House had to adjourn for lack of quorum. There were only sixteen members present in the House. The House had to adjourn for lack of quorum. There were only sixteen members present in the House.

It seems very definite that the trade agreements will be introduced in the next week's program, although it is expected that the House will not be in session until the 15th of July. An order-in-council could put them into session, but they would like to wait until this procedure was always provided against by the House.

As this session has been going on since January 27th, the members are rather anxious to get through and get back to their offices and other forms of occupation. They are not in a hurry to adjourn now to come back in the fall, therefore they would like very much to prorogue for this year. This may take place around the 2nd of July which falls on a Saturday.

MARKET SUPPLY
According to the statistics of the United States Bureau of Foreign and Domestic Commerce, 245,000 head of hogs were imported into the United States during 1937, to the value of \$12,078,000, an against 199,000 head, valued at \$7,002,000 in 1936. An increase of 23.1 per cent in quantity and 58.8 per cent in value for 1937.

Included in the cattle imports were 81,000 head of animals weighing less than 1,000 lbs., valued at \$1,246,000, as against 66,000 head at \$752,000 in 1936, a gain of 21.4 per cent in quantity, and 63.2 per cent in value. Dairy cows numbered 7,000, the same as in 1936, but the value of the 1937 consignments was \$435,000 compared with \$352,000 in 1936, an increase of 23.6 per cent.

Shipments of cattle weighing 700 pounds or over from Canada to the United States amounted to 157,000 head at \$1,007,000, compared with 136,000 head at \$6,878,000 in 1936, a gain of 15.4 per cent in quantity and 60.3 per cent in value.

Letters may now be sent by air mail from London to India and the Far East for three cents.

each. Feed consumed: Mill feed, 1,020 pounds at 2 cents per pound; farm grains, 11,333 pounds at 1 toll; corn per pound; protein concentrate, 395 pounds at 1 cent per pound; skim milk, 4,480 pounds at 20 cents per hundred pounds. Average feeding ration, 3.75 pounds feed for one pound gain. Total net gain from weaned weight, 5,223 pounds. Average marketing age, 6 months. Sold at \$11.75 per cwt. lot graded. Average labor, income and profit per pig, \$31.91.

This experience occurred last season, a period during which it is now evident that the number of farmers reduced their breeding stock, believing they were losing money. It is true that the feeding ratio in this case was exceptionally good, due of course, to using a balanced ration with a good feeding strain of bacon hog, but these are factors which no pig raiser can afford to neglect.

The practical application of the foregoing data outside of the factors, selection and management, is very simple. If feeding milk, allow 5 pounds of milk as equivalent one pound of grain and anyone can work out his own comparative feeding ratio. Add up the total grain and milk equivalent and divide by the net gain in weight from weaning time. As the feeding ratio is reduced with standard mixtures, the profit naturally increases.

Those who followed the sound practice of steady production are now in the happy position that they can capitalize on improved conditions. At the same time they have helped to consolidate the important export trade and at the same time have again demonstrated:

1. A good strain of pigs and efficient feeding are primarily necessary for success.
2. A record of cost and revenue is necessary to determine the efficiency of both pigs and feeding methods.
3. Steady production is an advantage to the individual first of all and to the industry in general.

CANADIAN CATTLE IN U. S.

The city council of Trail, B.C., placed a city-owned lot at the disposal of the Boy Scouts and Girl Guides as a site for a meeting hall.

Scout Camp Sites in British Isles
There are over 100 Boy Scout camping grounds in the British Isles, with a total of over 5,000 acres. The latest site, of 24 acres of grass and land, was opened in May at Chalfont St. Giles, Buckinghamshire, by Deputy Chief Scout, Lord Somers.

Sir George Brown Becomes a Scout
Sir George McLaren Brown, the new president of the Scout Association of Ontario, was invested as a Scout before a large gathering of Scout Leaders at the annual Empire Day Scout reforestation camp at Angus. He was presented with a gavel made of Scotch pine from a tree felled by him in 1929.

Practical Boy Scout First Aid
Boy Scout first aid training camp proved its practical value when one group of hiking Winnipeg boys cut his knee with an axe. Scouts in the party rendered first aid, and a stretcher on which the patient was borne three miles to a street car. Police and hospital staff congratulated the Scouts.

An International Scout Circus
Seven hundred Canadian and American Boy Scouts took part in an "International Scout Circus" at Kailash, Montana. The opening parade, led by two bands, was headed by the grouped Union Jacks and Stars and Stripes. The Canadian and American Scouts of Alberta and British Columbia were overnight guests at Kailash. The event was backed by the local Rotary and Kiwanis clubs.

A New Scout Hiking Trophy
A new Hiking Trophy, donated by City Controller Andrew H. Frame, will be awarded in a hiking and nature study contest. The Scout hikers, in pairs, must cover a distance of 20 miles within 24 hours, and spend at least one night in the open. Records will be kept covering hiking, mileage, weather, nature observations, historical data, sketches and photographs, and a list of the equipment carried and menus of the meals prepared.

Boy of 9 Gives Life For Brother
The posthumous award of the Scout Bronze Cross, Scout's highest honor, for bravery, to nine-year-old John Bunting of Chalfont St. Giles, Derby, disclosed an unusual story of self-sacrifice. With his seven-year-old brother, Leslie, and other small boys, John was playing near a deep pool when Leslie slipped in. Although unable to swim, John jumped after him, managed to splash him way to his brother's side, and pushed him to the pool steps, as Leslie

She's a bright little lady

STURDY of limb and brimful of joyous health, because her mother gives her Shredded Wheat, every day, with plenty of milk and a dash of fruit. She never tires of this breakfast. Shredded Wheat is a perfectly balanced food that depends on growth and alert mind! Keep plenty on hand all the time.

12 big biscuits in every box

With the Boy Scouts

A troop of Boy Scouts has been placed at St. Mary's River, on the Labrador.

It is estimated that there are three million former Boy Scouts in the British Isles.

A beautifully carved altar table was made and presented by the 1st Ensignment Boy Scouts to St. Paul's Church, Glais.

The city council of Trail, B.C., placed a city-owned lot at the disposal of the Boy Scouts and Girl Guides as a site for a meeting hall.

MADE IN CANADA OF CANADIAN WHEAT

scrambled out, John slipped back into deeper water and was drowned. The coroner declared it a clear case of the boy's heroic act in his life to save the younger. The boys were sons of an unemployed miner.

Million Trees Planted By Scouts
Close to 1,000,000 young trees have now been planted by Ontario Boy Scouts on the reforestation project at Angus.

MINUTES OF COUNCIL MEETING
M.D. OF GRANDE PRAIRIE, No. 739

Minutes of a regular meeting of the Council of the Municipal District of Grande Prairie, No. 739, held in the Municipal Office on Saturday, the 4th day of June, 1938.

The minutes of the previous council meeting were read by the secretary, Mr. Nelson. That the minutes as read be adopted. Carried.

That the financial statements for April and May be received and placed with the minutes in file. Carried.

That Messrs. Nash & Nash be requested to definitely state whether they will accept the auditor fee of \$150.00, net, as G.P.M.D. No. 739 and the G.P.M.D. Hospital No. 14.

That the appointment of an auditor, and that Messrs. Nash & Nash be informed that as a satisfactory offer of the services of an accountant has been received, the auditor and Harvester Co. be appointed auditor to the M.D. of G.P.M.D. No. 739.

That the appointment of an auditor, and that Messrs. Nash & Nash be informed that as a satisfactory offer of the services of an accountant has been received, the auditor and Harvester Co. be appointed auditor to the M.D. of G.P.M.D. No. 739.

That the appointment of an auditor, and that Messrs. Nash & Nash be informed that as a satisfactory offer of the services of an accountant has been received, the auditor and Harvester Co. be appointed auditor to the M.D. of G.P.M.D. No. 739.

MILK IN CANADA
Total milk production in Canada in 1937 is estimated at 17,188,917 pounds, as compared with the final estimate for 1936 of 16,986,415,500 pounds, an increase of 190,202,500 pounds, or 1.1 per cent. Milk used for making dairy and creamery butter showed a reduction in quantity during the year, while farm-made cheese, factory cheese, and miscellaneous products registered increases.

Dairy production in Canada in 1937, the highest value recorded since 1930, is estimated at \$22,403,127, an increase of \$16,981,363, or 8.0 per cent in 1936.

TRITON MOTOR OIL

WHEN YOU USE TRITON MOTOR OIL

Triton changes Ping to Pur because it cleans out carbon as you drive... stops carbon buildup. It cleans out carbon because it is Propane-solvent refined, 100% PUR paraffin-base, 100% PUR lubricant. It lubricates better, longer. Saves on gasoline, carbon scraper, oil drains, motor wear. Next time try Triton.

ARREST OF HITLER'S FRIEND COMPLICATES SITUATION

The arrest on suspicion of espionage of Miss Unity Vallyrie Freeman-Mitford, 24, English beauty and Nazi sympathizer by Czech authorities at Svitavice further complicated the dangerous situation existing between Germany and Czechoslovakia. Miss Mitford had an autographed photograph of Hitler in her luggage and this is reported to have aroused the suspicions of the Czech authorities. She was later released and allowed to motor into Germany. It will be remembered that Miss Mitford was attacked by a mob in London recently when she appeared wearing a swastika badge given her by Hitler.

NOT SO FUNNY

If you please, do not refer to Martha Raye as "that funny girl with the big mouth." The screen comedienne wants to be known as a glamour girl now, with shapely legs, a lovely voice, etc., and that funny mouth is out. Martha filed suit against a picture magazine, asking an injunction against the use of her photograph beside that of a champagne, both with mouths ajar, as it were. Here you see Martha as in the old days, and now.

A GOOD CATCH

Jack Miner, the Canadian naturalist, is more frequently photographed with a Canada goose than a fish, hence - this interesting snapshot, taken when Mr. Miner caught two lake trout, weighing nearly ten pounds each, during a recent visit in Hudson Bay territory.

BIGGER NAVY NEEDED

Hon. Ian Mackenzie, Canadian Minister of National Defense, informed the House of Commons at Ottawa that the Dominion needs a bigger navy.

APPEALS FOR WORLD LAW

A four-point program of United States cooperation toward a "world order based on law" was laid down by Cordell Hull (above) United States Secretary of State, with a strong appeal for a "strong, united public opinion" to back it. Mr. Hull rebuked isolationists, whose "dream of safety and security" he called "a bitter illusion."

INCREASED PAY GLADDENS TOMMY ATKINS' HEART

It was joy day in the British Army when this picture was taken. All soldiers who had served for more than a year received wage increases amounting to sixpence a day. When Tommy took his pay home his wife showed her appreciation.

INJURED IN STRIKE RIOT

Patrolmen help an injured comrade to an automobile after a riot at the American Brass Company plant in Detroit. Nine policemen were hurt. More than 40 others received more or less serious injuries in the fighting.

REGINA'S DOGS START PICKETING

An edict of the Regina city council that all dogs must be tied up or they will be impounded by the dog catcher, regardless of whether they are licensed, left the city divided into two camps - garden lovers in one corner and dog lovers in the other. To protest against the ruling, dogs carrying placards were loosed on the streets, and this one took a choice spot in a downtown shop window. The sign "Fines, oh yeah!" is a bit of sarcasm directed at Alderman C. M. Fines, who sponsored the ruling.

BROTHERLY ADVICE FAILED TO SAVE BARNEY'S CROWN

Getting some advice from his brother George, Barney Ross, then welterweight champion, is pictured in a gymnasium in New York, where he kept in trim while waiting for the postponed fight with Henry Armstrong, little Brown Bomber, featherweight champion. Armstrong won the decision in fifteen rounds, and is now also welterweight champion.

SOUTH AFRICAN PREMIER INAUGURATES GREAT HARBOR SCHEME

General Hertzog, Prime Minister of South Africa, throws the levers which started the first dredger's buckets to work on the construction of Cape Town's new harbor. When completed the new harbor will be one of the finest in the world.

STARS IN REAL THRILLER

When "controlled fire" got out of hand during the filming of a picture in Hollywood, starring Clark Gable and Myrna Loy, the beautiful star was caught in the cockpit of the burning plane. Gable, in true movie fashion, dashed to the plane, tore open the cowl, and rescued his heroine. The rescue scene is pictured above. Moments later the plane was completely consumed.

JAPANESE PRINCE PASSES THROUGH CANADA

His Excellency Prince Iyemasa Tokugawa, C.B.E. (left), is shown here with his son, Iyasato Tokugawa, former Japanese Minister to Canada, as they reached Vancouver on the Canadian Pacific liner Empress of Russia, en route to England to attend the International Red Cross meeting in London. The Prince, as president of the Japanese Red Cross, will make several proposals calling for revisions of the Red Cross Treaty.

"Make signs that are friendly, Percy."

—Sydney Bulletin, Australia.

MODERN MARS INVADERS OLD CHINA

Such strange scenes as this are being enacted in the war-torn Orient today as old and new mingle in odd contrast. This ultra-modern machine of Mars rumbles through the historic pagoda gate of ancient China as the Japanese occupy the city of Mengcheng, in central Anhwei Province, during their drive to cut the Lung-Hi railroad west of Peking.
